The third internal workshop
"FUNDRAISING "
@
University of Prizren "Ukshin Hoti

April 19, 2016

Venue: *University of Prizren "Ukshin Hoti"*

Rruga e Shkronjave, n.n.

20000 Prizren, Kosove

Objective of the workshop:

The main objective of the training workshop is become less dependent on restricted state /university fund, and become financially sustainable and be more efficient when drafting and managing a project budget. Materials from the Guide on Financial Management will be used as a basis for organization of the workshop. Further to this, a special attention will be paid to highlight the international funding calls where Kosova is eligible to participate; challenges to implement international projects in the context of Kosova's dynamic higher education system, by putting an emphasis in the sustainability of the projects.

Therefore available and relevant EU/International (research) funding programmes

will be presented, effective successful proposal writing presented and how to effectively design a project budget. In addition to the materials from Guide on FM, the focus will also put to increase the capacities on developing a project idea and developing a Logical Framework.

Please notice that the concept of the trainings workshop has a very practical approach so that participants can participate and get the maximum out of workshop.

Target group: **Management of UPz; deans and vice-deans; teaching and administrative staff.**
